EnDURO – in action

EnDURO is so easy to work. Whether for offset over-printing on Halm and W+D, or for maximum machine speeds on F.L. Smithe, W+D, Kern, Bell + Howell, Pitney Bowes, Stielow etc. – EnDURO performs trouble-free providing confidentiality and safe delivery of your mail.

EnDURO envelopes are approved by the German and Austrian Postal Authorities.

EnDURO – The Website

Everything EnDURO – and more – can be found on our Internet-website 'EnDURO – News and Fun'.

All about our range, the unique marketing support, practical and technical information as well as all print media can be found there 24 hours a day.

Fun on the Net

Enjoy our fun internet games "Splash" and "EnDURO Racer". Have a look at the most popular Tear-test photos and international test volunteers... Play the 'trailers' EnDURO Lucky number (who pays for the beer?) and EnDURO Lottery (make your own draw).

EnDURO Ice

EnDURO Ice is a newly developed transparent, tear-resistant paper. It makes printing, drying, folding and gluing so easy.

All you demand

- perfect printability
- easy folding properties
 - no breaking
 - no whitening
- trouble-free converting
- automatic insertion and sorting

Never before has transparency been so easy and secure!

EnDURO Ice combines the brilliance of transparency with the strength and protection of EnDURO.

Your Creativity – Our Support

EnDURO is the tear-resistant top class paper for special mailings, security envelopes, shopping bags, card + CD sleeves and much more. Just imagine! We will support you with all the technical and emotional information you may require.
