The

# EnDURO – everything you want.

## Stand out in a crowded Market!

Envelope markets are continually changing. You need new ideas, new products, new impulses.

Be innovative and use the EnDURO advantages:

- durable and tear-resistant
- water and humidity-resistant
- cost effective

EnDURO power can be your tool for growth and image.

EnDURO envelopes are available in different grades:

### CLASSIC

Envelopes in standard grammages and paper surfaces in white or natural. The typical envelope.

### LIGHT

Low weight envelopes with high quality paper surfaces.

### PREMIUM

Envelopes based on top quality surfaces and first class print results.

### ICE

Envelopes made from the new generation of transparent papers.

### SPECIALS

Envelopes to meet specific requirements.

How about EnDURO 80 or 90 gsm? Or glossy? Or heavy grammage? Or...?

Sihl is certified according to  
**ISO 9001, ISO 14001 and  
OHSAS 18001**
