

# EnDURO Ice – clear advantages!

Added Value Papers

# That's clear.

Only 5 x better.

No special inks, no special settings,  
no special drying.

This makes it suitable for pouches,  
folders, pockets, maps and more.

thereby achieving, accurate  
seams.

ideal for long-  
term, multi-use applications, providing  
security and durability.

This offers new solutions, new busi-  
ness options and new growth areas.

# 5 x for new business.

EnDURO Ice is an elegant alternative to white papers and boards.

Can be printed like all other regular work.

Folds without whitening or broken score lines.

Avoids typical "waves/cockling" when glueing

Excellent tear-resistance offers a real advantage and makes it

These Ice advantages allow transparent papers to be used where never before!
