

EnDURO Ice – newly defined transparent papers.

...it's a kind of magic

Transparent paper a joy to work with.

The challenge set by many of our partners was to produce transparent materials they could work with like normal papers.

As a result of this focus we have developed a new generation of transparent papers that meets this challenge: **EnDURO Ice**

All you need

- transparent look
- elegant design
- suitable grammages
- perfect to print

EnDURO Ice is a special transparent and tear-resistant paper. It makes printing, drying, folding and glueing easy.

All you like

- tear-resistant
- water-resistant
- easy to convert
- no breaking or whitening (of score lines)

Never before has transparency been so easy!

EnDURO Ice combines the elegance of transparency with the strength and protection of EnDURO.

Main applications

- Commercial Printing
- Packaging
- Publishing
- Tags & Tickets

Applications	EnDURO grade	paper	weight gsm ¹⁾	caliper μm ¹⁾	strength ¹⁾
Commercial Printing, Packaging, Publishing, Tags & Tickets	Ice 60 M	transparent	65	85	regular
	Ice 80 M	transparent	80	105	regular
