

If it's film – think PicoFilm.

Sihl brings information to life.

PicoFilm. For Tags and Swingtickets.

So simple, so unique

PicoFilm is used by

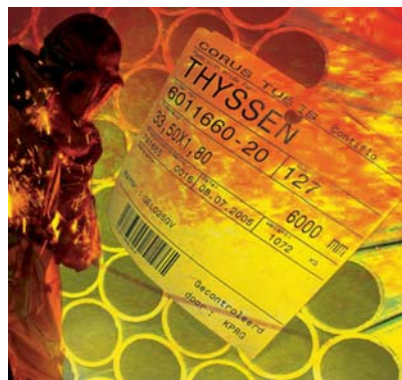

- growers, nurseries + garden centres (horticulture)
- steel, reinforcement + fastenings manufacturers
- warehouse and retail centres – logistics + labelling

Plant-sticks/stabbers + tags – because colour sells better

PicoFilm is

- resistant to chemicals and high-temperatures
- suitable for outdoor use
- dimensionally stable
- either printable on conventional or digital presses

Steel tags – heat-resistant, both TT and laser printable

Digital Printing

PicoFilm printed on digital presses or laser printers means:

- high class 4-colour image
- excellent toner anchorage
- reliable sheet fed
- durable image

Tags made from PicoFilm will match these requirements. Available in a range of thicknesses and with options on surface coatings.
